

DARKOH

WINTER 2016

*„I'm certainly not who people think I am. I always do whatever I want to do,
and my films are personal to me.”*

Steve McQueen

The Rebel Yell

Inspired by the Steve McQueen era, the Darkoh FW16 collection is filled with a clear-cut masculinity and youthful nonchalance. It pays homage to an unfolded individuality and the search for man's inner self. Harsh fabric like tweed and boiled wool are combined with softly woven wool and cotton; masculine shades harmonize with soft tones. Checked patterns in contrasting colors add to the rebellious and yet soft, almost melancholic mood that McQueen was known for.
